

Regular Giving will make a world of difference

At Dogwatch, we've been proudly rescuing, rehabilitating, and rehoming dogs since 1982. By joining our Regular Giving programme, you'll be providing ongoing support to help dogs in need get the second chance they deserve.

You can give weekly, fortnightly, monthly, or at any interval that suits you. However you choose to give, you'll be making a huge difference in the lives of dogs in need.

Become a Regular Giver to Dogwatch Today

Your regular donations mean the world to the dogs we rescue and rehome. By becoming a Regular Giver, you can help us provide essential care and find loving homes for dogs in need.

Help Us Rescue & Rehome Dogs in Need

Become a Regular Giver

About Dogwatch

Since 1982, Dogwatch has been rescuing and rehoming dogs across Canterbury and beyond, giving thousands of dogs a second chance at life. Our vision is simple: every dog in a loving home. This propels us forward, to continue offering hope for dogs in need, until every dog has a safe and loving place to call their own.

We operate from a purpose-built adoption centre in Bromley, Christchurch, situated on 5 acres of land. Our facility includes two kennel blocks, large outdoor yards, two exercise paddocks, and a welcoming reception area. Additionally, we have a dedicated network of fosterers who provide loving temporary homes for dogs while they await adoption.

Why Give Regularly?

By giving regularly, you are directly supporting the essential work we do to transform the lives of dogs in need. Your contribution helps us to:

Rescue

We rescue dogs who have been abandoned, neglected, or surrendered, providing them with a safe place to stay while we assess their needs and plan for their future. We take in dogs from Canterbury Council pounds and private surrenders.

Rehabilitate

We ensure that every dog in our care is given the best chance to thrive. This includes behavioural rehabilitation, helping dogs rebuild their trust and confidence. We also provide medical rehabilitation, which involves a full health check, vaccinations, desexing, and any other treatments required to get each dog healthy and ready for their new home.

Rehome

Once rehabilitated, we work hard to find the perfect match for each dog, ensuring they are placed in loving homes where they can flourish. We take great care to match the needs of the dog with the lifestyle of their new family.

Community Outreach

Our work doesn't stop with the dogs in our care. We support dog owners in the community by offering desexing vouchers, advice on training and rehoming, and by providing food and essential supplies to help keep dogs with their families in times of hardship.

By becoming a Regular Giver, you are helping us continue these vital services every day.

Our Impact

Your regular donation helps us make a difference in the lives of dogs and the wider community.

Here's what we accomplish each year with the support of our incredible donors and volunteers:

100+

dogs rehomed each year

100+

*community desexing vouchers issued each year, preventing roughly **1000** unwanted puppies from entering the world*

19,500

volunteer hours donated to help run our shelter and variety shop, educating and fulfilling the lives of our volunteers

1,000+

dog owners supported with advice on rehoming, training, and vet care

50+

rest home visits each year by our Dogwatch ambassador dogs
